C70 Builders

Communication, commitment and value – on your terms

Company

Built on a foundation of trust, honesty and service excellence, C70 Builders is your premier commercial construction company. For over 45 years, C70 has provided the highest quality commercial building services to Minneapolis, surrounding areas and the nation.

Our projects begin with a plan focused on quality and value, no matter the project size, and we take pride in offering our customers a relationship that lasts long after the completion of any project.

Through our dedication from the planning stage to final punch list, you can expect more from C70 Builders.

Company

Mission

Make a Difference in the Lives of Our People, Customers and Community.

Values

Have fun while being the best
Learning from challenge and change
Show respect, humility and integrity
Unleash the power of our people

Vision

To be the highest value provider of construction services and technical expertise in the country.

Strategy statement

Provide the best value for the budget, with exceptional speed and quality. This is done through collaborative communication & planning with the client in which expert cost analyses are completed on construction methods, materials, and design alternatives.

Problem

Business are deploying scarce capital toward new/improved facilities, and need projects completed on budget and on time. However:

31% are delivered on time

29% are delivered on budget

33% of projects are delivered on their benefits

Solution

- We take responsibility and ownership for delivering business value.
- We excel at large, complex projects.
- We understand partnering is more than just a name brand or past relationships.
- Choose a partner known for reliability, communication and extraordinary customer service.
