MOLTRON BUILDERS INC.

Building Relationships That Strengthen Communities

Diversity, Inclusion and Quality: - Moltron is a privately held, certified Black Woman-Owned Small Business located in Minneapolis, Minnesota. firm provides Construction Management, General Contracting, Project Management, and Design Build Services in the commercial construction market. Moltron has a relationship approach to business that has consistently produced outstanding projects and satisfied clients. We put forth a level of creativity and quality that gives us a platform for success. Our staff and crews form a diverse group of talented individuals.

Diversified and Experienced: - We have been in the construction business for more than 30 years, with the co-owner and husband of the CEO being a vested union member. Our company received its QC/QA certification from the US Army Corp of Engineers. We are solution and productivity-driven.

4 Core Principals:

- We demonstrate that experience and union training provide excellent and foundation for leadership, problem solving and risk management add to your projects' success
- Construction outcome depends on our developing a diverse, effective, and efficient workforce
- We coordinate mandatory weekly meetings for our team and yours to confirm work-scopes, commitments, primary deliverables, schedules, and risks
- Safety on your construction project is paramount to reducing injury, damage or illness that can lead to project delays

Differentiators:

- We provide general labor and self-perform concrete, finish carpentry, and rough carpentry work scopes.
- Experience having over one hundred years (105yrs) of working knowledge in execution and managing civil, environmental, retail, hospitality and commercial construction
- Recruit, support, and train individuals from diverse backgrounds, including disenfranchised communities
- Black-American and Woman-Owned construction company with a combined experience of sixty five years (65yrs)
- Mentor-Protege relationship that increases our capacity up to $75M bonding

Best Clients:

- Federal Aviation Administration (FAA), Farmington MN - Chiller Replacement $2.4 M
- Hennepin County, MN - Building Maintenance $750 K
- Unison Comfort Technologies Minneapolis, MN - Truck Lane Replacement $180 K
- Chase Companies, MN - Tenant Improvements $150 K
